DISBURSEMENTS

In accordance with Statement of Insolvency Practice 9 (SIP9) disbursements are categorised as either Category 1 or Category 2.

Category 1 Disbursements

Category 1 disbursements will generally comprise external supplies of incidental services specifically identifiable to the case, such as case advertising, specific bond insurance and case management software system.

Buchler Phillips is not required to seek approval from creditors for Category 1 Disbursements. However, Buchler Phillips are required to disclose information about them in the same way as any other expenses.

Category 2 Disbursements

Category 2 disbursements include elements of shared or allocated costs incurred by Buchler Phillips and recharged to the estate; they are not attributed to the estate by a third-party invoice.

Category 2 disbursements may be drawn if they have been approved in the same manner as an office holder's remuneration. When seeking approval, an office holder should explain, for each category of expenses, the basis on which the charge is being made.

Examples of Category 2 disbursements are photocopying, all business mileage, internal room hire and internal storage.
